

Hillbillies Are To Be Attraction At Program Soon

The Torrance Men's Bible class will sponsor a fine program at a date to be announced next week, which will feature the original Beverly Hills Hillbillies, and other entertainers. Tickets for the event will be available from members of the class this week.

New members day will be observed by the class next Sunday, May 7, when each member is requested to bring one or more men to attend the session at the Torrance Theatre.

Mothers' Day will be observed on May 14 with an open meeting to which all mothers, wives and sweethearts of the members will be invited.

See Stung Inspector
CORNING, Cal. (U.P.)—H. M. Krebs, state supervisor of aplay inspection, worked all day on 116 colonies of bees without a single sting. On his way home a lone bee flew into his car and stung him.

CHRISTIAN SCIENCE CHURCHES
A Lesson-Sermon on "Adam and Fallen Man" will be delivered on Sunday in all Churches of Christ, Scientist, branches of the Mother Church, The First Church of Christ, Scientist, in Boston.
One of the Bible citations in the Lesson-Sermon includes these statements from Genesis: "And God said, Let us make man in our image, after our likeness; and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. So God created man in his own image, in the image of God created he him; male and female created he them. And God saw every thing that he had made, and behold, it was very good. . . . Thus the heavens and the earth were finished, and all the host of them."
A correlative passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, says: "The Scriptures inform us that man is made in the image and likeness of God. Matter not the likeness. The likeness of Spirit cannot be so unlike Spirit. Man is spiritual and perfect; and because he is spiritual and perfect, he must be so understood in Christian Science."

Lack of Funds Halts Work On Elena Street

Redondo Extension of Roosevelt Highway 17 Per Cent Complete

The Elena street extension of the Roosevelt coast highway in the city of Redondo today stands 17 per cent completed, according to state highway engineers.

At the present time, no plans are being prepared for the next link in the Roosevelt extension, it also was learned. Shortage of funds, uncertainty as to what the next budget will contain, and the possibility that state gas tax funds may be diverted to balance the state budget were given as the reason for holding any future plans in abeyance.
Asphaltic concrete pavement 40 feet wide is being constructed in the 1.4-mile link by the Griffith Company. Contract price is \$58,109, and work has been under way since March 10. August 5 is the date specified for completion of the work.
Construction of the Culver boulevard and Pacific Electric railroad grade separation for this highway today is 65 per cent completed, it was learned in a check-up with state highway engineers.

Completion of the grade separation will link Santa Monica direct with Inglewood, El Segundo, Manhattan Beach, Hermosa Beach, Redondo, Torrance and eventually Los Angeles harbor.
Fifty-one wooden piles on either side of the area to be spanned provide the foundations for the massive concrete abutments and the arches. Artukovich Brothers are under contract for the work at \$71,564. Pending the completion, traffic on Culver boulevard has been detoured.

Annual Business Meeting On Tuesday
Tuesday evening, May 9, Dr. Loomis, superintendent of the Long Beach district of the Methodist church, will conduct the annual business meeting of the local church. The evening will be both social and business in nature.
A pot luck supper is planned for 6:30 p. m., to be followed by a short program, after which Dr. Loomis will have charge. All friends and members of the church are invited.

Boys' Sunday To Be Observed At Methodist Church
Sunday evening, May 7, the Methodist church will observe Boys' Sunday. A special program has been prepared in which a number of boys are to have part. Short talks will be made by Billy Anders, Robert Hobbs and Robert Klunk. Musical numbers will also be rendered by boys.

Big Gold Strike Reported
MISSOULA, Mont. (U.P.)—A major placer gold strike near Bergdorf, Idaho, has been reported by Missoula prospectors. One man said the magnitude of the discovery already had led hundreds of persons to file claims in the vicinity.

Heads Medics

Dr. Clarence G. Toland, Los Angeles, named president-elect of the California Medical Association at the recent annual convention at Del Monte. He will take office as president in 1934.

at Narbonne High School

The Los Angeles board of education has approved a radio spelling contest to be broadcast over KFAC in which senior high students from all the city high schools will participate. May 1 is the day on which the contests will begin, with each school represented by a team of five.

The winner of the spelling bee will be given a year's scholarship at U. S. C., and each representative in the finals will receive a gold medal.

Jinx day, which is an annual event sponsored by Miss Mason's G. A. A., is scheduled for Friday, May 5. All the girls and their parents are invited to be present at the entertainment, which will begin at 2:30 p. m. on the girls' athletic field.

This year the procedure will be different from other years. Each grade will represent a certain country and give two dances pertaining to that land. The ninth graders will be Norwegians for a day; the sophomores, fair maids from Sweden; the juniors will represent Denmark, and the seniors, Ireland. A May queen, chosen from each class, will preside over her group. The girls are busy now rehearsing the dance numbers under the direction of Miss Ernst and Mrs. McKeown.

Other features on the program will be a May pole dance by the smaller girls under the direction of Miss Burrows; tumbling acts by girls in the Junior G. A. A.; and a demonstration of speedball. All members of the G. A. A. will be dressed in the club colors, blue and white. The reception committee is to be made up of the club officers: Mary Likens, Geneva Backus, Helen Hobbs, Velaine Flint, Geneva Straub, Phyllis Watson, and Jean McLellan. Refreshments of cookies and punch are to be served.

A "backwards" party was the way in which members of the Honor Society made merry Thursday evening, April 27. To begin their fun, they entered the cafeteria through the back door. The first number played was "Home Sweet Home" which might have led one to believe the party was over instead of just beginning.

The boys came dressed with their shirts on backwards and the girls wore their dresses in this new style. A spelling contest was won by Mae Whisler, who was the first to misspell the word.

Another contest was that of writing one's name on a piece of paper backwards and wearing it the rest of the evening. Each person had to pronounce his name, and if he couldn't, he paid a forfeit. The winner of this contest was Miss Larson, who had the most difficult name and yet was able to pronounce it.

Refreshments, however, were not "backwards," and consisted of ham and cheese sandwiches, punch, dill pickles and cookies. The affair was held in the school cafeteria and came as a climax to Scholarship day.

Over a hundred parents visited Narbonne during Public Schools Week, April 24 to 28. Many of the classes gave special entertainments in honor of their visitors, the most outstanding being the program given by Mrs. Grant's A-9 Spanish class in the music room Thursday. The senior dramatics class gave a short skit from "Pigs" the senior play, which will be held the end of May.

According to Miss Griffin, the number of visitors this year far outnumbered those of last year or any preceding year.

Because the date of the prom conflicted with Jinx day, another important entertainment, the juniors will give their dance for the seniors May 26 instead of May 5. They are busy now with their plans, but are keeping the theme deep secret from the inquisitive twelfth graders.

Walteria Couple Receive Sentence On School Charge

Mr. and Mrs. Andy Perkins, 24427 Ward street, Walteria, were brought into the Esmita justice court, Thursday, April 27, on complaint of school authorities, in regard to the irregular school attendance of the couple's two daughters, Dorothy, aged 16, and Madeline, aged 17. They asked until May 1 to plead and bond was fixed at \$500 for their appearance. Mr. Perkins was released on his own recognizance, while Mrs. Perkins was held in the county jail in default of bail.

Doris E. Worrell, truancy officer, and Carl Ramsdell, attorney, represented the board of education. Testimony for the prosecution alleged that more or less trouble has arisen over the matter during the past two years, ranging in high school territory through Huntington Park, San Pedro, Narbonne at Lomita and Walteria.

Mr. and Mrs. Perkins were found guilty and were sentenced in one case to a fine of \$10 or 5 days in the county jail, which was suspended, and \$50 or 25 days in the second case, which was also suspended for six months on their promise to see that the girls were regularly in school in the future.

HOSPITAL NOTES

NAME IS CHANGED
The same name hereafter will be carried by 182nd street, by an ordinance adopted this week by the board of supervisors.

Heretofore also known as Electric street over part of its length, the street extends westerly into Torrance one-half mile from unincorporated territory.

Change in the name of a section of the street was made on recommendation of County Surveyor J. E. Rockhold.

Their plea in defense of their past attitude was that the girls were absent on work orders to aid in the family support.

Wealthy Recluse Found Dead Friday Beverly Hills Home

Miss Margaret A. Keith, 60 years of age, wealthy recluse whose home in the Palms Verdes Estates, closed to visitors and tradesmen, was the subject of much excited speculation during recent months, was found dead last Friday at her Beverly Hills residence under circumstances that indicated suicide.

Miss Keith was the daughter of David Keith, wealthy mine owner of Nevada, and was reputed to be worth several millions at the time of her death. Her family explained her actions in maintaining her aloofness from the world as characteristic of her life since girlhood.

Jilted Lover Sought Solace

EL PASO, Tex. (U.P.)—A jilted lover who sought to punish the girl who refused to marry him received little solace when he appealed to District Attorney John W. Penn here. There was no course, the prosecutor told the disappointed one.
